COMMODORE sofa is a floating comfort icon.

Elegant stitching combined with sturdy seats and soft back cushion fillings give this sofa an inviting character.

The roulade cushions serve as extra support to sink further down with sufficient support and a soft feeling. The sporty appearance of the sides gives the overall a refined effect.

Both with semi-annaline leather and fabric upholstery, this timeless model fits into almost any interior.

PLATON sofa is ideal for modern interiors. This is not just a functional sofa, but also a piece of furniture in line with current trends. The unusual shape of the armrests with a bevel, rounding and narrowing, a spacious seat - the personification of comfort and practicality. The seats smoothly pass into the base and adjoin the floor. Platon sofa stands out among the kult models with smooth lines and voluminous shapes.

SEMERKAND

SEMERKAND sofa set is a modular sofa designed by Üznür Uysal. Semerkand adds a touch of extra comfort to the modular system, once again telling Sitdesign's mastery in making leather and fabric extremely soft. The refined and contemporary lines, which characterize the entire Semerkand collection, take on a new softness and an even more special flexibility with the high-quality materials used. Thanks to the presence of an independent cushion, Semerkand is perfect to naturally satisfy any sitting style, both relaxing and conversation.
